

MAT 1050 STUDY SESSIONS

WHAT: These weekly sessions are designed to provide additional reinforcement for MAT 1050 students to master the class material by reviewing material regularly with additional practice in solving algebraic problems. Students will also develop evidence-based learning strategies and study skills.

WHO: Any student taking MAT 1050 can come!

WHY: Get assistance with mathematical content while improving your understanding and study habits.

WHEN AND WHERE:

Mondays	12:30-1:30PM	35 State
Tuesdays	2:30-3:30PM	117 State
Wednesdays	12:30-1:30PM	35 State
Thursdays	5:30-6:30PM	117 State

COST: These study sessions are **FREE** to Wayne State University students. All study sessions are led by tutors from the Mathematics Resource Center.
