MAT 1050 Study Sessions

Fall 2018

Weekly guided study sessions for students to make connections of the new material with their previous knowledge, as well as practice problems to further solidify their learning with the help of a knowledgeable peer. Students are encouraged to attend any of the sessions weekly. Studies have shown that students who attend the sessions regularly earn a better grade than the class average grade.

The first day will be on Wednesday, September 12, 2018

All MAT 1050 Study Sessions will take place in the classroom of the Math Lab located in the lower level of the Science Engineering Library, Room 010.
